Sir:

As a supplement to the Amendment filed February 16, 2007, applicants are attaching a verified translation of Korean Priority Document 10-2002-0045057. This Korean Priority Document fully supports the features of at least rejected claims 1, 4 and 5 of the present application. Furthermore, the Korean Priority Document has a filing date prior to the filing date of previously cited U.S. Patent Publication 2004/009552 to Watanabe et al. (hereafter Watanabe). In view of this, Watanabe is not prior art to at least claims 1, 4 and 5 under 35 U.S.C. §102(e). Thus, the rejection based on Watanabe should be withdrawn for at least this reason.

Applicants maintain all of the arguments set forth in the previously filed response.
